

HOW DOES MY DOCTOR CHOOSE THE RIGHT TREATMENT FOR ME?

YOU SHOULD KNOW:

It's normal for your treatment to change over time as your diabetes progresses over time.

Your doctor will use your A1C and sugar levels throughout the day to decide what treatment options might be right for you.

MEDICINES THAT TREAT DIABETES WORK IN DIFFERENT WAYS :

SOME MEDICINES HELP YOUR BODY **USE INSULIN MORE EASILY**

SOME MEDICINES HELP YOUR BODY **MAKE MORE INSULIN**

SOME MEDICINES HELP **LOWER THE AMOUNT OF SUGAR IN YOUR BODY**

SOME MEDICINES **REPLACE INSULIN ALTOGETHER**
